InvestorInfo Limited Rights Offer Update

InvestorInfo Limited (**INV**) is pleased to confirm that ASIC has revoked the interim stop order dated 8 April 2004 on offers made under the Rights Offer Prospectus dated 13 February 2004, following lodgment of a Supplementary Prospectus dated 21 April 2004.

INV notes that the Takeovers Panel has concluded the proceeding in relation to the affairs of INV and declined to make a declaration of unacceptable circumstances in relation to the Rights Offer and underwriting of the Rights Offer.

The Board of INV has determined to extend the closing date of the Rights Offer to 21 May 2004. This will allow investors a full month after the issue of the Supplementary Prospectus to assess their participation in the Rights Offer.
